(6) Currency Exchange

If you instruct us to pay out a money transfer to a recipient in a currency ("payout currency") other than the origin currency, a retail exchange rate may be applied, in addition to any service charge appearing on your receipt. The payout currency for such money transfer is acquired by us at a wholesale rate that fluctuates. The difference between the retail exchange rate applied to such money transfer transaction and the wholesale exchange rate at which we acquired the payout currency will be kept by us and/or the paying agent as revenue, in addition to any service charges.

The paying agent must pay out money transfers in the payout currency indicated in the money transfer payment instructions and receipt. If a recipient desires payment of the money transfer in a currency other than the payout currency, the recipient and paying agent must enter into a separate foreign exchange transaction to convert the payout currency into the recipient's currency of choice ("foreign exchange transaction"). Such foreign exchange transaction is a separate transaction between the recipient and the paying agent only and we are not responsible for and we do not have a liability in connection with such foreign exchange transaction.

For further information about the payout currencies available in any destination country and/or through any particular paying agent on our paying network of payout locations, consult our Application.

When you initiate and submit a money transfer transaction on our Application, you authorize us to charge your designated credit card account or debit your designated debit card or bank account for the amount of such money transfer transaction and Murkon's associated service charge. You are responsible for ensuring that your designated payment method has sufficient funds or credit available for payment of your money transfer transaction. If Murkon executes payment of a money transfer pursuant to your money transfer instructions and subsequently is advised that your designated credit card had insufficient credit available or your designated debit card or bank account had insufficient funds available, you remain liable to Murkon for the full amount of any such payment of the money transfer by Murkon and the Murkon's associated service charge. You authorize us to initiate debit and credit entries to your bank account in connection with the money transfer service. You also authorize us to initiate credits and debits

to correct errors. This authorization shall remain in full force and effect until we have received notification from you of its termination; you may revoke your authorization only by notifying us by email at info@Cubaboom.com or in a written letter sent to Murkon at Grafenaustrasse 11, 6300, Zug, Switzerland.

You agree that all transactions authorized by you shall comply with all applicable SWISS federal, cantonal and foreign laws.

Money transfers that have been authorized by a User shall be processed only on the condition that the issuer of the respective credit card or debit card, or the user's bank, has authorized the corresponding charges or debits. Each User using the service acknowledges and agrees that Murkon is authorized to charge the respective credit card or debit card, or debit the respective bank account, for the principal amount of the money transfer, the service charge, and any other applicable fees.

The issuing bank for your credit card or debit card or the financial institution where your bank account is open may also have terms and conditions that apply to your use of the credit card, debit card or bank account (as applicable) and you must refer to such agreement(s) in order to determine user's rights, obligations and liabilities as a cardholder or account holder, which may include the assessment of cash advance or other fees. Money transfer receipts will not display fees assessed by user's bank or the issuer of user's credit card or debit card.

(8) Services Charges and Additional Fees

You agree to pay a service charge per money transfer executed through our Application. The service charge will be charged to the credit card, debit card, or bank account you identify as the payment method for your money transfer transaction. The service charge (in addition to any other applicable fees charged by us directly or on behalf of any governmental authority) will be displayed online for your authorization prior to submission of the money transfer. Our service charge schedule is subject to change from time to time in our sole and absolute discretion. In addition to any fees charged by Murkon, a money transfer MAY be subject to additional fees assessed by the SWISS government, the government of the destination country, or the financial institution in the destination country at which your recipient holds a bank account.

(9) Money Transfer Processing and Delivery Schedule

After we have verified your identity, received proper credit card, debit card, bank authorization, and completed the screening for proper compliance with the various applicable laws and regulations, the money transfer is promptly made available to the designated recipient for pick up at a paying agent location, home delivery by paying agent to recipient's home or office (available in limited destinations only), or deposit into recipient's bank account in the destination country. The speed of payment of a money transfer varies depending on a variety of factors, including but not limited to, the amount of the transaction, the restrictions of the destination country or point-of-payment (including without limitation the paying agent's hours of operation),

and/or the accuracy of the information provided by the user. Money transfers will normally be paid to the recipient by cash or bank account deposit, as specifically designated by you in your payment instructions.

(10) Money Transfer Cancellations and Refunds

If you instruct us to pay a money transfer to a designated recipient and later request that we stop the payment of such transaction, we will need to check first with the paying agent to determine if the money transfer has been paid to the recipient. If we can confirm that payment HAS NOT BEEN MADE, the money transfer will be cancelled and we will refund the amount of the money transfer, including the service charge. Your refund will be completed in the origin currency. All refunds shall be available within thirty (30) calendar days of the stop order or as soon as the refunds are returned by the paying agent, whichever is first. For further information or to file a complaint, please contact our customer service team at customerservice@cubaboom.com

(11) Money Transfer Transactional Restrictions

We reserve the right, in our sole discretion, to: (i) reject a proposed money transfer; (ii) limit the amount of a money transfer; (iii) require additional information to complete a money transfer; and/or (iv) take reasonable measures with respect to a money transfer in an effort to comply with applicable laws and regulations. As a User, you agree not to attempt to circumvent the parameters of the service by using a different debit or credit card or bank account, entering false information, or any other means. The service is offered exclusively for the personal money transfer needs of users. Any other use or attempted use of the service for commercial purposes, promotion of products and services, or other such purposes, directly or indirectly, by you or by a third party is prohibited.

The service available through the Application is limited to money transfers for a maximum amount of 5.000 CHF per user per transaction or its equivalent in USD or EURO.

Murkon may establish any and all transactional restrictions applicable to money transfers in its sole discretion and may change such restrictions from time to time. We will provide you with any legally required notice, which we may post on the Application or our website.

When you submit a money transfer, the paying agent is not required to accept it. You agree that you will not hold us liable for any damages resulting from a paying agent's decision not to accept a money transfer made through our service. Any unclaimed, refunded or denied payment will be returned to you or to the original payment method. We will return any unclaimed money transfer to you, or to the original payment method, within thirty (30) days of the date we are informed that the paying agent has rejected your money transfer transaction.

If you provide us with incorrect recipient information and you or the paying agent notify us of such incorrect information, and subject to the money transfer not having already been paid out by the paying agent pursuant to the incorrect recipient information you provided, we will

coordinate with you to correct the recipient information or process a refund of your money transfer.

If you use your mobile device to make money transfers, you are responsible for any fees that your phone service provider charges, such as fees for SMS, data services, and any other fees that your phone service provider may charge. Your phone service provider is not the provider of these money transfer services; instead, Murkon is the provider of these money transfer services.

(12) WhatsApp Messages

Users may elect to enroll in the Murkon's messaging program in order to receive notifications and alerts about their money transfer transactions. Message and data rates may apply. To stop receiving messages, write "STOP" on WhatsApp. Once enrolled in Murkon's messaging program, a user will receive 10 messages per money transfer transaction submitted. If you enroll in Murkon's messaging program, you are responsible for any fees that your phone service provider charges.

(25) Governing Law and Jurisdiction

These Terms and any dispute or claim arising out of, or related to, them, their subject matter or their formation (in each case, including non-contractual disputes or claims) shall be governed by and construed in accordance with the internal laws of Switzerland.

(26) Dispute Resolution by Binding Arbitration

Any dispute, claim or controversy of any kind arising out of or relating to this agreement or the breach thereof shall be settled exclusively by arbitration administered by Swiss Arbitration Center.

<https://www.swissarbitration.org/centre/arbitration>

You should review this arbitration provision carefully. This provision limits your and Murkon's ability to litigate claims in court and you and Murkon each agree to waive our respective rights to a jury trial. Any arbitration under this provision shall take place on an individual basis; class

arbitrations and class actions are not permitted. You will not have the right to participate as a class representative, private attorney general, or as a member of any class of claimants for any claim subject to arbitration. A claim by, or on behalf of, other persons will not be considered in, joined with, or consolidated with, the arbitration proceedings between you and us. Any dispute regarding the prohibitions in the prior sentence shall be resolved by the arbitrator in accordance with this arbitration provision.

A party who intends to seek arbitration must first send to the other, by certified mail, a written notice of dispute ("Notice"). Any Notice to Murkon should be addressed to Grafenaustrasse 11, 6300 Zug, Switzerland. Any Notice must (a) describe the nature and basis of the claim or dispute, and (b) set forth the specific relief sought ("Demand"). If you and Murkon do not reach an agreement to resolve the claim within 30 days after the Notice is received, you or we may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by you or us shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or we are entitled.

You and we agree, upon written demand made by you or us, to submit to binding arbitration all disputes, controversies, and claims, whether based on contract, tort, fraudulent misrepresentation, statute, regulation, constitution, common law, equity, or any other legal basis or theory, and whether pre-existing, present, or future, that arise out of or relate to this Agreement, money transfer services, or the benefits provided by them, or any advertisements, promotions, or oral or written statements related to money transfer services, or the relationships that result from the purchase and use of money transfer services, or the scope or enforceability of this agreement, including the determination of the applicability of this agreement to arbitrate.

The arbitration tribunal shall consist of a single arbitrator mutually agreed upon by the parties, or in the absence of such agreement within thirty (30) days from the first referral of the dispute to Swiss Arbitration Center, designated by Swiss Arbitration Center. The arbitrator shall be an active member of Swiss Arbitration Center and shall be actively engaged in the practice of law for at least 5 years, or a retired judge. You and we understand that in an arbitration, discovery is more limited than in a court and review by courts is very limited. The place of arbitration shall be in Switzerland and you will be given the opportunity to attend the proceeding and be heard. The arbitral award shall be final and binding. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

Each party retains the right to seek judicial assistance: (a) to compel arbitration; (b) to obtain provisional or ancillary remedies or measures of protection prior to or pending arbitration; (c) to seek injunctive relief in the courts of any jurisdiction as may be necessary and appropriate to enforce intellectual property rights; and (d) to enforce any decision of the arbitrator, including the final award. In no event shall any party be entitled to punitive, exemplary or similar damages.

You and we agree that the arbitrator: (i) shall limit discovery to non-privileged matters directly relevant to the arbitrated dispute; (ii) shall grant only relief that is based upon and consistent with substantial evidence and applicable substantive law; (iii) shall have authority to grant relief

only with respect to claims asserted by or against you individually; and (iv) shall provide a written statement stating the disposition of each claim and a concise written explanation of the basis for the award and shall make specific findings of fact and conclusions of law to support any arbitration award. Unless inconsistent with applicable law, and except as otherwise provided herein, each party shall bear the expense of its respective attorney, expert, and witness fees, regardless of which party prevails in the arbitration. The arbitrator will decide whether we or you ultimately will be responsible for paying any fees or other costs in connection with the arbitration under the applicable rules.

If any portion of the arbitration provision is deemed invalid or unenforceable, the remaining portions of this arbitration provision will remain valid and enforceable. This arbitration provision shall survive expiration or termination of the Agreement.

(27) Limitation on Time to File Claims
